# ONE SOURCE

Custom Truck One Source (Custom Truck) is the first true single-source provider of specialized truck and heavy equipment solutions. With sales, rentals, aftermarket parts and service, equipment customization, remanufacturing, financing solutions, and asset disposal, our team of experts, vast equipment breadth and integrated network of locations across North America offer superior service and unmatched efficiency for our customers. Dig in at [customtruck.com](http://customtruck.com) and keep up with us on Facebook and Twitter.

## NEW AND PRE-OWNED EQUIPMENT SALES

Custom Truck sells new and pre-owned equipment through its premier network of integrated locations across North America. We stock a wide variety of popular chassis, specialized bodies and equipment brands, ready for assembly into the combination that will best fit your needs.

## LEADING RENTAL FLEET

Top contractors throughout the heavy equipment sectors rely on Custom Truck's leading rental fleet to deliver mission-critical equipment solutions that ensure they work more efficiently. Our on-hand rental inventory leads the industry in range, quality and accessibility, allowing customers to recover from unexpected equipment repairs and capitalize on unforeseen demand.

## AFTERMARKET PARTS & SERVICE

We've aligned our unsurpassed range of equipment with an equally extensive inventory of chassis and equipment parts, available in-house and for overnight delivery. Custom Truck's proprietary service call-in center (CINC) delivers nationwide access to local service. Available 24/7 and manned by 150+ in-house equipment technicians, the CINC serves an unparalleled level of service throughout our premier network of facilities, located strategically across North America for optimal aftermarket repair and maintenance support.

## EQUIPMENT CUSTOMIZATION

Custom Truck specializes in custom design and fabrication of chassis frames and suspensions, bodies and equipment, allowing us to fulfill customers' most complicated customization demands. Our superior knowledge of the fluctuating needs across the equipment sectors, and expertise in hydraulics, chassis, and frame modifications far surpass any other dealer in the country.

## REMANUFACTURING

Custom Truck has the exclusive ability to revitalize customer assets by remanufacturing aged equipment, maximizing performance over a longer life cycle, and optimizing utilization levels for the customer.

## FINANCING SOLUTIONS

Customized & flexible leasing and financing solutions are available through our in-house lease provider Custom Truck Capital.

## ASSET DISPOSAL

Convenient & reliable liquidity of your unusable assets through Custom Truck's partnership and auction website with Housby.
